About Cinis Fertilizer

Cinis Fertilizer is a Swedish green-tech company producing an environmentally friendly mineral fertilizer, potassium sulfate (SOP), by recycling industrial waste products from battery manufacturing and recycling, as well as the pulp industry and other industries. The patent protected technology uses half as much energy as today's production methods and the result is a fertilizer with a low carbon footprint, a unique and circular contribution enabling sustainable agriculture. FNCA Sweden AB is Certified Adviser. For further information, visit www.cinis-fertilizer.com.
